- 12) Videotape of R. Blaine Jorg's 3/11/02 interview with IIS. The written transcript has been previously provided.

The prosecutor's file pertaining to the criminal trial of Patrick Caton cannot be found. We have checked with the Clerk of Court's office to see if they had a copy, they do not. If the file is located, we will provide you copies of the exhibits as requested.

We are not in possession of a transcript of the radio communications of Officer Caton on November 7, 2000 as requested in your October 13, 2003 correspondence.

There are no digital files of the photographs as requested in your October 24, 2003 correspondence.

Additionally, your letter of 10/24/03 references an audiotape of an IIS interview with Patrick Caton on 11/18/02. The only 11/18/02 audiotape concerning Officer Caton is his disciplinary hearing. The City did not transcribe the proceeding.

Please call if you have any questions. Thank you for your cooperation.

Very truly yours,
